

**JADWAL UJIAN AKHIR SEMESTER PRODI MATEMATIKA**  
**Semester Genap 2014/2015**

| No | Hari/Tanggal         | Jam           | Mata Kuliah                 | Jml                 | Ruang  | Dosen                             |
|----|----------------------|---------------|-----------------------------|---------------------|--------|-----------------------------------|
| 1  | Senin<br>01/06/2015  | 08.00 – 10.00 | Teologi Moral Klas K        | 18                  | 204    | F. Nur Widayati S.Ag.,M.Pd.       |
|    |                      |               | Filsafat Moral Klas N       | 11                  | 313    | Drs. Y. Agus Tridiatno, M.A.      |
|    |                      | 10.30 – 12.30 | Teori Gelanggang dan Lap    | 24                  | 303    | Prof. Dr. Frans Susilo, SJ        |
|    |                      |               | 13.00-15.00                 | Pemodelan Matemates | 21     | LKD A                             |
| 2  | Rabu<br>03/06/2015   | 08.00 – 10.00 | Metode Statistis            | 10                  | Lab GM | Ir. Ig. Aris Dwiatmoko, M.Sc.     |
|    |                      | 10.30 – 12.30 | ALPRO                       | 29                  | 303    | Dr. A. Rita Widiarti              |
|    |                      | 13.00 – 15.00 | Pers. Diferensial Stokastik | 11                  | Lab GM | Dr.rer.nat.Herry Pribawanto S.    |
| 3  | Kamis<br>04/06/2015  | 08.00 – 10.00 | B. Inggris II               | 27                  | 413    | CB Bambang Kukuh C                |
|    |                      | 10.30 – 12.30 | Barisan dan Deret           | 25                  | 303    | MV. Any Herwati, M.Si.            |
|    |                      | 13.00 – 15.00 | Matematika Diskret          | 29                  | 303    | MV. Any Herwati, M.Si.            |
| 4  | Jumat<br>05/06/2015  | 08.00 – 10.00 | Persamaan Dif Parsial       | 18                  | Lab GM | Sudi Mungkasi, Ph.D.              |
|    |                      | 10.30 – 12.30 | Kalkulus Diferensial        | 31                  | 303    | Dr.rer.nat.Herry Pribawanto S.    |
|    |                      | 13.00 – 15.00 | Riset Operasi Diterministik | 15                  | 303    | Dr. Irwan Endrayanto              |
| 5  | Senin<br>08/06/2015  | 08.00 – 10.00 | Geometri Analitik           | 34                  | 303    | Dr. M. Andy Rudhito               |
|    |                      | 10.30 -12.30  | Metode Numeris              | 21                  | LKD A  | Sudi Mungkasi, Ph.D.              |
|    |                      | 13.00 – 15.00 | Prakt Metode Numeris        | 24                  | LKD C  | Sudi Mungkasi, Ph.D               |
|    |                      | 13.00 – 15.00 | Etika Profesi               | 23                  | 313    | R. In Nugroho B. SJ               |
| 6  | Selasa<br>09/06/2015 | 08.00 – 10.00 | Teori Kabur                 | 11                  | 303    | Prof. Dr. Frans Susilo, SJ        |
|    |                      | 10.30 -12.30  | Analisis Real II            | 21                  | 303    | Dr.rer.nat.Herry Pribawanto S.    |
|    |                      | 13.00 – 15.00 | Kalkulus Peubah Banyak      | 29                  | 303    | Hartono, Ph.D.                    |
| 7  | Rabu<br>10/06/2015   | 08.00 – 10.00 | Fungsi Kompleks II          | 22                  | 303    | Dr.rer.nat.Herry Pribawanto S.    |
|    |                      | 10.30 -12.30  | Aljabar LinearElementer     | 32                  | 303    | Hartono, Ph.D.                    |
|    |                      | 13.00 – 15.00 | Statistika Matematis I      | 28                  | LKD C  | Ir. Ig. Aris Dwiatmoko, M.Sc.     |
| 8  | Kamis<br>11/06/2015  | 08.00 – 10.00 | Prakt ALPRO                 | 29                  | LKD B  | Dr. A. Rita Widiarti              |
|    |                      | 10.30 -12.30  | Analisis Sosial             | 21                  | 314    | Drs. Silverio Aji Sampurno, M.Hum |
|    |                      | 13.00 – 15.00 | Komputasi Matematis         | 29                  | LKD B  | Hartono, Ph.D.                    |
